The purpose of Bill 15-1076 is to amend the District of Columbia Housing Authority Act of 1999 to clarify the original intent of the tax exemption provisions of the District of Columbia Housing Authority authorizing legislation to assure that the exemption is limited to affordable housing activities and ensure no interruption in the District of Columbia Housing Authority's revitalization and redevelopment projects involving critical affordable housing, to allow Board members to serve as Advisory Neighborhood Commissioners, to change the way the Board members' stipend is set, to alter the Board meeting requirement to one where the Board would have to meet regularly at least 10 times each calendar year; and to amend An Act To regulate the manufacturing, dispensing, selling, and possession of narcotic drugs in the District of Columbia to authorize the District of Columbia Housing Authority Police Department to obtain and act on search warrants for controlled substances.

The bill would also provide the Commissioner of the Department of Insurance, Securities, and Banking ("DISB") with summary suspension authority to suspend the certificate of authority of an individual or firm producer without giving notice if the Commissioner finds upon examination that the further transaction of business by the producer would be hazardous to the public or to the policyholders or to the creditors of the producer in the District.
